NOTICE OF PUBLIC HEARING ON PROPOSED
SARDIS HISTORIC DISTRICT

On Monday, December 17, 2007, at 11:00 A.M., a public hearing will be held by the Mayor and Board of Aldermen of the City of Sardis, Mississippi, and the Sardis Historic Preservation Commission at 114 W. Lee Street, Sardis, Mississippi, to discuss the designation of a local historic district. The boundaries of the proposed district are as follows:

Description of the outer boundary lines of the City of Sardis, Mississippi, proposed Historic District:

In the City of Sardis, Mississippi, to-wit: Begin at the intersection of the center line of Butler Street with the center line of East Lee Street; run thence West along the center line of East Lee Street to the intersection of the center line of East Lee Street with the center line of Childress Street; run thence North along the center line of Childress Street to the intersection of the center line of Childress Street and the center line of Stonewall Street; run thence West along the center line of Stonewall Street to a point located 470 feet East of the point of intersection of the center line of Stonewall Street with the center line of North Main Street; run thence North to the North boundary line of the City of Sardis, Mississippi; run thence West along the North boundary line of the City of Sardis, Mississippi, to a point 900 feet East of the intersection of the North boundary line of the City of Sardis, Mississippi, with the East right-of-way line of U.S. Mississippi Highway No. 51; run thence South to the North end of Percyville Street; thence continue South along the center line of Percyville Street to the intersection of the center line of Percyville Street and the center line of Lincoln Street; run thence Easterly along the center line of Lincoln Street to a point 420 feet West of the right-of-way of the Illinois Central Railroad; run thence South to the center line of West Lee Street; run thence West along the center line of West Lee Street to the intersection of the center line of West Lee Street with the center line of Magnolia Street; run thence Southerly along the center line of Magnolia Street to the intersection of the center line of Magnolia Street and center line of Frederick Street; run thence West along the center line of Frederick Street to the intersection of the center line of Frederick Street and the center line of Claremont Street; run thence Southerly along the center line of Claremont Street to the intersection of the center line of Claremont Street and the center line of Juanita Street; run thence West along the center line of Juanita Street to the East right-of-way of U. S. Highway 51; run thence South along and with the East right-of-way of U. S. Highway 51 to the Southern boundary of the City of Sardis, Mississippi; run thence East along the Southern boundary of the City of Sardis, Mississippi to the intersection of South Main Street (Belmont Road) with the center line of East Carlee Street; continue thence East along the center line of East Carlee Street to a point located 600 feet East of the intersection of the center line of East Carlee Street with the center line of Butler Street; run thence North 750 feet; run thence West to the intersection of the center line of Butler Street with the center line of the intersection of Sycamore Street/Ruffin Drive; run thence North along the center line of Butler Street to the point of beginning.

All members of the public and interested citizens are invited to attend. A map of the proposed boundaries of the historic district is available for inspection at City Hall and will be also available at the hearing. Published: November 22, 29, December 6 and 13, 2007. 639

Description of the outer boundary lines of the
City of Sardis, Mississippi, proposed Historic District

In the City of Sardis, Mississippi, to-wit: Begin at the intersection of the center line of Butler Street with the center line of East Lee Street; run thence West along the center line of East Lee Street to the intersection of the center line of East Lee Street with the center line of Childress Street; run thence North along the center line of Childress Street to the intersection of the center line of Childress Street and the center line of Stonewall Street; run thence West along the center line of Stonewall Street to a point located 470 feet East of the point of intersection of the center line of Stonewall Street with the center line of North Main Street; run thence North to the North boundary line of the City of Sardis, Mississippi; run thence West along the North boundary line of the City of Sardis, Mississippi, to a point 900 feet East of the intersection of the North boundary line of the City of Sardis, Mississippi, with the East right-of-way line of U.S. Mississippi Highway No. 51; run thence South to the North end of Percyville Street; thence continue South along the center line of Percyville Street to the intersection of the centerline of Percyville Street and the center line of Lincoln Street; run thence Easterly along the center line of Lincoln Street to a point 420 feet West of the right-of-way of the Illinois Central Railroad; run thence South to the center line of West Lee Street; run thence West along the center line of West Lee Street to the intersection of the center line of West Lee Street with the center line of Magnolia Street; run thence Southerly along the center line of Magnolia Street to the intersection of the center line of Magnolia Street and center line of Frederick Street; run thence West along the center line of Frederick Street to the intersection of the center line of Frederick Street and the center line of Claremont Street; run thence Southerly along the center line of Claremont Street to the intersection of the center line of Claremont Street and the center line of Juanita Street; run thence West along the center line of Juanita Street to the East right-of-way of U. S. Highway 51; run thence South along and with the East right-of-way of U. S. Highway 51 to the Southern boundary of the City of Sardis, Mississippi; run thence East along the Southern boundary of the City of Sardis, Mississippi to the intersection of South Main Street (Belmont Road) with the center line of East Carlee Street; continue thence East along the center line of East Carlee Street to a point located 600 feet East of the intersection of the center line of East Carlee Street with the center line of Butler Street; run thence North 750 feet; run thence West to the intersection of the center line of Butler Street with the center line of the intersection of Sycamore Street/Ruffin Drive; run thence North along the center line of Butler Street to the point of beginning.
